

Five Times Blessings for Zerf Productions Kilimanjaro Team

Five times blessed by Reverend Samuel King Kabu, of St. Ansgars Lutheran Church. Blessed were Wilhelmina Fredericks and Elisabeth Allen, before they left for Kilimanjaro and Cape Town on September 13th/2008 to help the children with HIV and Aids in Africa, while others team members scale Mount Kilimanjaro for the same mission.

They will be guests of Madam Lucy Ndesamburo of the Keys Hotel in Moshi, while her husband Dr. Fidelis Owenya, president of Zerf International of Tanzania, directs them in delivering medicine to local clinics and orphanages and rural communities.

Wilhelmina Fredericks (ZPC)

Elisabeth Allen (ZPUSA)

They raise funds, buy medicine and test the children in Africa for HIV and AIDS. Wilhelmina believes, the members of the community of Notre Dame de Grace and other Montrealers do really make a difference in Africa because they care. Thank you for your help
