

Press Release

Zerf Productions  
March 6<sup>th</sup>, 2009

Communiqué

Zerfchallenge2020 team will embark on the six expedition, scaling Mount Kilimanjaro and Safari leaving, September 7<sup>th</sup> to 21<sup>st</sup>. 2009 for 14 days. You may also, explore the beautiful culture and visit the Masai tribes in their environment in Kilimanjaro. We invite the general public to join us on the 2 weeks expedition, and provide the children the water they need to live.

The purpose for this expedition is to drill water well in Kikuhe, Hedura Kilimanjaro regent, for the orphans affected and infected with HIV and Aids the water well is important and urgent for the survival of the children. It will help avoid thirst and unwanted deceases.

The children walk two miles from the orphanage for water, by the time they get to the two-room orphanage; there is no more water in the bucket. If you join us we will dig a well to provide the children with water. The children, eat porridge twice day, and need clean water to drink .As human beings we must uphold our commitment to help the children of Africa. Join us and let these children live You can also make a donation or sponsor a participant

Please pass this onto anyone you may think would be interested. We are hosted and guided and protected, by the Keys hotel in Moshi, Kilimanjaro, Tanzania, an intimate family hotel. We are Training at the Y in Notre Dame de Grace. A tax receipt will be given for your sponsors and your donation.

Have a look at our fabulous photo essay of Kilimanjaro. You will love it.
