Prolong a Child's Life in Africa

The **purpose** of this mission is to raise funds for the children infected and affected with HIV and Aids in Africa. In April 2010, Forever Young Lingerie of Vancouver shipped \$5,500 worth of clothing to mothers and children at St. Joseph hospital in Tanzania. The Zerf Ensemble under the direction of Thomas Leslie, held three concerts, and made a special donation to the Haiti Earthquake Relief effort. We invite you to be part of this mission and prolong a child's life in Africa.

Our Commitment

Under the supervision of Zerf International and partners at home and abroad, we have served the poor in Africa and Canada for more than 21 years. Our mission delivers medicine, medical equipment, food, educational materials, computers, books, and clothing directly to the people and to local hospitals and clinics in Africa. We also buy an instant test that allows us to test the mothers and children for HIV and Aids in the rural areas of the African countries. In order to remain connected to our local communities, we also collect food and educational material, clothing for our own poor and disadvantaged citizens in Montreal.

Our Program

Our support brings direct aid to the heart of Africa, allowing the children to be treated and cared for by the local hospitals in their own countries. Zerf Charitable funds (USA) a child of Zerf Productions Canada, and under the direction of Elisabeth Allen, has secured \$850,000, under the supervision of by Zerf International Tanzania, Keys Hotels and St. Joseph Hospital in Moshe Kilimanjaro, Tanzania

In 2009, Wilhelmina sponsored the (Voices of Africa) 15 children and an adult from Tanzania to help Zerf raise awareness of the HIV pandemic in Africa through song in Montreal. They were also sponsored by the YMCA and supported by the media, cultural communities and individuals and pharmacists in Montreal.

Testing Children for HIV and Aids in Africa

Elisabeth Allen, Sr. Frieda Kessy Wilhelmina Fredericks and Kiuhe orphans

Children identification Program

Wilhelmina Fredericks and Elisabeth Allen, founder of Zerf Charity funds went to Kilimanjaro test the children for HIV and Aids in Kilimanjaro. While there, they identified the need for water, sanitarian facilities, and food at Kikuhe orphanage. Zerf productions and partners will drill water well for the orphans affected and infected with HIV and Aids in the rural areas of Kilimanjaro. The tests are donations from communities and corporations and individual pharmacist. The project is under the super vision of Dr. Fidelis Owenya,(president of Zerf Productions International Tanzania)

Join our unique organization, volunteer and Scale Kilimanjaro or Safari, and prolong a child's life in Africa.
